

Apartment Industry

MAINTENANCE APPRENTICESHIP PROGRAM

EARN WHILE YOU LEARN!

FINANCIAL ASSISTANCE MAY BE AVAILABLE

ABOUT MAP

MAP is a six-week program designed to train aspiring maintenance professionals with the skills needed for a career in the apartment industry.

The program consists of in-class and paid on-site training (apprenticeship). Both parts work simultaneously to prepare the student for a career in maintenance.

MAP's goal is to provide individuals with a job opportunity at the completion of the program.

Program requirements are listed online.

COST: The Emily Griffith tuition for this course is \$700; Financial assistance may be available!

48 HRS IN-CLASS

Learn interior and exterior maintenance, HVAC, plumbing, appliance repair, electrical and more!
